### 142 ACCOMMODATION ROOMS 2 MEETING ROOMS

Centrally located with dramatic views overlooking lake and mountains, this five star hotel combines premier suite and hotel-style accommodation with fine cuisine, and generous hospitality. It is an ideal venue for a memorable incentive programme – a property distinguished by its attention to detail, innate Queenstown style, and astonishing views over Lake Wakatipu. A founding member of Accor's small yet distinctive MGallery collection; Hotel St Moritz embodies the essence of this label, offering an original upscale hotel experience authentic to its location. St Moritz possesses an atypical personality, appealing to who require their hotel to be an integral part of their travel experience. Presenting a unique mix of traditional Guest Rooms, One and Two Bedroom Alpine Suites, each room is stylishly appointed with alpine design accents and modern essentials to ensure refined comfort. Lombardi Bar, Dining Room, Library and Den create the 'Lombardi Quarter' – a signature and stylish establishment that offers an array of dining styles and spaces. Breathtaking panoramas, provide a stunning backdrop to the four rooms, providing a sense of anticipation for the day ahead, or indeed evoke memories of the day that has been.
